

WE ARE HIRING

BRAC EPL
STOCK BROKERAGE LTD

Senior Flutter Developer

Explore Your Career in Capital Market!

BRAC EPL Stock Brokerage Limited, a subsidiary of **BRAC Bank Limited**; is **one of the largest stock brokerages in Bangladesh** with strong foothold in domestic institutions, retail clients and foreign institutional investment segment. We are looking for confident, career focused and highly energetic **Senior Flutter Developer** to serve the internal stake holders and management.

Job Duties and Responsibilities

- Design and build advanced, responsive, and scalable mobile applications using Flutter.
- Ensure the performance, quality, and responsiveness of applications across different devices and screen sizes.
- Write clean, maintainable, and efficient code, following best practices for mobile development.
- Provide technical leadership and mentorship to junior developers.
- Conduct code reviews and ensure adherence to coding standards and best practices.
- Work closely with UX/UI designers to implement complex features and user interfaces.
- Collaborate with backend developers to integrate APIs and ensure seamless data flow.
- Engage with product managers to understand requirements and translate them into technical specifications.

Education:

- Bachelor's or Master's degree in Computer Science, Information Technology, or a related field.

Experience:

- 3+ years of experience in mobile app development, with at least 2 years of solid experience in Flutter development.
- Proven track record of successfully delivering high-quality mobile applications.

Technical Skills:

- Proficient in Dart, with strong knowledge of object-oriented programming principles.
- Expertise in Flutter, with a deep understanding of widgets, state management, and animations.
- Experience with third-party libraries and APIs, as well as native integrations for Android and iOS.
- Familiarity with version control systems, such as Git.
- Strong understanding of testing frameworks like Flutter Driver and Unit Testing.
- Knowledge of mobile app deployment processes (App Store, Google Play).
- Understanding of agile methodologies and experience working in agile teams.

Soft Skills:

- Strong problem-solving skills and ability to troubleshoot issues effectively.
- Excellent communication and collaboration skills, with a focus on teamwork.
- Ability to work independently and take ownership of projects from start to finish.
- Attention to detail and a commitment to delivering high-quality work.

Preferred Qualifications:

- Experience with cloud services such as Firebase or AWS.
- Knowledge of mobile security best practices.
- Contributions to open-source projects or a strong online portfolio.

Compensation and Benefits:

Attractive Compensation for deserving candidate with fringe benefits (e.g., PF, Gratuity, Insurance, and others)

Apply Instructions

* Any kind of persuasion will directly disqualify the candidature.

* BRAC EPL Stock Brokerage Limited is an Equal Opportunity Employer.
