

Good Morning

Stocks open higher with renewed investor participation

Stocks opened higher on Wednesday, supported by renewed participation as opportunistic investors engaged in broad-based bargain hunting on undervalued blue chips shares.

Inflation to stay at 8.6% in FY27, above BB target

Inflation is likely to remain high and reach 8.6 percent in the fiscal year 2026-27 (FY27) due to higher energy prices driven by the war in the Middle East, according to BMI, a provider of insights, data and analytics.
