Meghna Bank's Second Subordinated Bond Worth Tk 400 Crore

Meghna Bank PLC has taken the initiative to issue its second subordinated bond worth Tk 400 crore to strengthen its capital base, enhance financial capacity, and ensure sustainable business growth. In the current competitive banking environment, maintaining adequate capital, managing risks, and complying with regulatory requirements are crucial for banks. The proceeds from the bond issuance will further strengthen the bank's capital base and support the expansion of its lending and investment activities.
