Auditor doubts Central Pharma's viability

Central Pharmaceuticals Ltd, a listed drugmaker, has received an adverse audit opinion on its financial statements for the year ended June 30, 2026, with the auditor raising serious concerns about the company's ability to continue its operations. The auditor cited mounting financial losses, failure to repay bank loans, substantial tax claims by the National Board of Revenue (NBR), inadequate cash flows and the non-renewal of the company's drug licence as major reasons for the adverse opinion.
